BROADBAND PERFORMANCE

Access Type: Fibre 30

For more information about access types, [click here](#).

For more information about broadband speeds and performance, [click here](#).

OTHER INFORMATION

Early termination fee

No fee for terminating your broadband connection.

Notice period

We require 7 or 14 days' notice of cancellation depending on your billing frequency

Traffic management

We may use traffic prioritisation policies for our plans at any time to improve the overall performance amongst our customers.

Fair Use

Flip does not enforce a fair use policy.

Effects on other services

Your Fibre (UFB) broadband service requires mains power to operate. If power is not available (e.g. during a power outage), your broadband, and any services which run over it, may stop working unless you have battery backup in your home.

You should check with the provider of any existing essential services such as security alarms, medical alarms and EFTPOS to make sure they will operate with this fibre (UFB) broadband service.

Optional charges

Additional charges may apply for items such as non-standard installations, additional in-home technician work performed at the time of installation.

Disputes

Information about our customer complaints process is available [here](#).

Flip is currently a member of the Telecommunications Disputes Resolution Service (TDRS), more details available [here](#).

All pricing quoted is inclusive of GST
